Multi-Use Games Court – Six Month's Access Application

Six month's access: £35 entitles the holder and their family to use the facilities at Southwell Road MUGA for **tennis, pickleball, baskets and hockey** for the 2026 season 01/04/2026– 27/09/2026.

During this time, the tennis posts and nets will stay in place. They will be removed for the 6 months 01/10/2026 to 31/03/2027.

Use of a court does not give access to the changing rooms and toilets unless special arrangements have been made with the Parish Clerk.

After use, the courts and site entrance gates **must be locked**, all litter removed, the nets slackened if used, and at all times the displayed general rules for the facility observed.

Access is not transferrable and in event of misuse, the facility will be denied.

Access to the MUGA will be by coded padlock for which the number will be provided in confidence and to be safeguarded by the hirer.

In the event of any difficulties, please contact the caretaker, David Leech on 07786370124 or the Parish Clerk - details as above.
